DETAILED ACTION

Response to Arguments

Applicant's arguments, see amendment, pages 32-37, filed September 4th, 2003, with respect to the rejections of claims 1, 28, 155, and 158 have been fully considered and are persuasive. The rejection of these claims has been withdrawn.

Examiner's Reasons for Allowance

Claims 1-155, and 157-158 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

As to claim 1, the prior art of record, taken alone or in combination, fails to disclose or render obvious a matching chart wherein at least one comparison sample is configured to simulate a color and at least one appearance characteristic other than color of a keratinous element, in combination with the rest of the limitations of claim 1.

As to claim 28, the prior art of record, taken alone or in combination, fails to disclose or render obvious a system wherein each comparison sample is configured to simulate a color and at least one appearance characteristic other than color of a keratinous element, in combination with the rest of the limitations of claim 28.

As to claim 155, the prior art of record, taken alone or in combination, fails to disclose or render obvious a method of enabling an analysis of a keratinous element, comprising comparing a keratinous element with at least one image to determine if the at least one image substantially corresponds to a color and at least one appearance characteristic other than color of the keratinous element, in combination with the rest of the limitations of claim 155.

As to claim 158, the prior art of record, taken alone or in combination, fails to disclose or render obvious a method of enabling an analysis of a keratinous element, comprising receiving information

relating to a comparison between at least one keratinous element and at least one image, in combination with the rest of the limitations of claim 158.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
